Dear Sixth Grade Parents/Guardians:

I am extremely excited to announce that the entire sixth grade will be going to Island 16 movie theatre on Friday, December 22 to see the movie "Wonder". As you may already know, "Wonder" tells the story of a fifth grade student with a facial difference, who is entering school for the first time. Many of the social and emotional topics that are present in the movie have been, and will continue to be a focus of our Advisory program. Upon returning to school after viewing the movie, the students will participate in follow-up activities in their classes.

We will be departing for the movie theatre by bus after Advisory and will be returning to the middle school before lunch. Students do not need to bring anything with them.

At the bottom of this letter you will find the student permission slip. Please return the permission slip to your child's Advisory teacher no later than Monday, December 18. A permission slip must be returned in order for your son/daughter to attend. We are looking forward to a great trip. If you have any questions, please do not hesitate to contact me at rhaas@bbpschools.org.

Sincerely,

Robert E. Haas
Principal
