Participants are not allowed in the deepest end of the larger pool or on the diving boards. Certified lifeguards are always on duty. Locker rooms are available for changing but not locker space. Participants must carry their belongings. If your child is not interested in going in the pool, please reconsider registering for the program.**

****Learning disabled students are eligible for this program, however, if your child only has a learning problem and can handle him or herself socially, then we suggest enrollment in a different program. This program will accept all disabled students ranging from developmentally disabled or delayed, including Downs Syndrome and Autistic, to Learning Disabled. It is not a one-to-one ratio of counselor to participant. We are not able to accommodate severely disabled children. There are other programs that may be more appropriate for your child. We reserve the option to remove children from this program that may have severe behavior problems or may pose a danger to other children.**

****Please consider the type of program this is and if you need more information, please call the Special Recreation Office at 451-6108. Leave a message and you will receive a call back.**
