

BBP Athletic Booster Club

Support Athletics in the Bayport-Blue Point School District

Athletic programs promote qualities, such as unity, discipline, hard work, honor, and sportsmanship. It is these core values that compel the BBP Booster Club in our efforts to support our student athletes. Our mission is to provide student athletes with the highest level of opportunity to succeed. Through our membership donation drive and fundraisers, we are able to supplement each and every program beyond what is covered by the school district budget.

During the 2019-2020 school year, Booster Club supported the BBP Athletics programs with:

Lights for White Out Game Center	New Spin Cycle for Bob Venero Fitness Center
& Football Playoff Game	Rage Cages for the Lacrosse Teams
Homecoming Hall of Fame Breakfast	New Scoreboard for JWY gymnasium
Batting Cage for JWY Baseball Team	Senior Athlete Scholarships
Snacks for Teams going to Playoffs	Tee-Shirts for County & State Champions
Senior Athletic lawn signs	

Please consider joining the BBP Booster Club by choosing one of the following membership categories:
