

Academy Street Memory Book Calling all Fifth Graders

Our memory book is in the works and of course, we like to highlight the 5th graders as much as possible! There are a few items we are looking for to help spotlight our fifth graders! **Please note, 5th graders do not need to purchase a memory book; they will each receive one provided by the Academy Street PTA.**

1) We would like for each fifth grader to send in a **baby picture** that will be put into the memory book.

2) We would like for you to send in any **candid group shots of fifth graders** that you may have from over the years (K-5) at Academy Street. We will try our hardest to include as many as we can! So please get those pictures in early!

Important: Please specify if the photos are from this school year or previous years.

3) If your child did **not** attend Kindergarten at Academy Street, please forward a picture of them either at their Kindergarten graduation at their former school, or any candid of them during their Kindergarten year.

4) Please consider writing a love note to your son/daughter and have it published in the 2020-2021 Memory Book for them to treasure forever! The LOVE NOTE can be written by parents, grandparents, siblings, friends or family members. Send a sentiment telling your children how proud you are of them or how much you love them! They will treasure those words for years to come! The LOVE NOTES are for children in all grades so you can write them for all of your kiddos!

Love Notes are \$10 for 1 - 25 words. Additional words may be purchased for an additional \$1 per three words. Please go to the link below to complete the form for your Love Notes: <https://LoveNotes.cheddarup.com>

All emailed photos should be sent to: AcademyMemoryBook@gmail.com

*****Deadline for all submissions is March 8th, 2021*****

Thank you!
