

Academy Street Memory Book

Love Notes

Our memory book is starting to come together, and it will be perfect with some heartfelt notes for your children! Please consider writing a love note to your son/daughter and have it published in the 2020-2021 Memory Book for them to treasure forever! The LOVE NOTE can be written by parents, grandparents, siblings, friends or family members. Send a sentiment telling your children how proud you are of them or how much you love them! They will treasure those words for years to come! The LOVE NOTES are for children in all grades so you can write them for all of your kiddos!

Love Notes are \$10 for 1 - 25 words. Additional words may be purchased for an additional \$1 per three words.
